EDUCATION

Ajay Kumar Garg Engineering College **Nov. 2021 - June 2025**

Bachelor of Technology in Computer Science and Information Technology(CGPA - 7.9) *Ghaziabad, India*

Class XII : Sita Bal V M Inter College **Mahmudabad , Sitapur**

80 percent

PROJECTS

Weather Website ⎘ | HTML,CSS ,Javascript ,Node.js , Express.js **2024**

- Developed and maintained features for a weather application, ensuring accurate and up-to-date weather information for users.
- Implemented APIs to fetch weather data from reliable sources and integrated them into the app's backend systems.
- Designed and optimized user interfaces to provide intuitive and visually appealing weather forecasts
- Conducted performance optimizations to improve web responsiveness and reduce loading times, enhancing user satisfaction.

Restaurant Website ⎘ | HTML,CSS ,Javascript ,Node Js , Express.js , Mongodb **2023**

- Designed and optimized relational databases to store restaurant data, including menu items, customer information
- It specifies popular dishes in dinner , breakfast and lunch

Education Website ⎘ | HTML , CSS , Javascript **2023**

- Developed user-friendly web pages for an education website using HTML and CSS, ensuring compatibility across various browsers and devices.
- Implemented modern web design principles and techniques to create visually appealing interfaces and enhance the overall user experience.

Technical Skills

Languages: C , C++
Development : HTML, CSS, Javascript, React , Node.js , Express.js
Database : Mongodb
Other :DSA,OOPS

Achievements

* Solved more than 150 + problems across platforms.(Leetcode , Coding Ninja ,Codechef)

Certification

* The Web Developer Bootcamp - Udemy
* NPTEL : Enhancing Soft Skill and Personality
* Data Structure and Algorithms - Udemy

EXTRACURRICULAR

* Part of Organization team during major event in college
* Won an inter-class debate competition in school
